EXIT OPTION 3

- I request my child exit the TEIS Extended Option on a future date and begin attending special education services through my local school district (Part B).
 - I choose to specify a future date on my TEIS Notification of Exit form for my child to begin special education services through my local school district and understand the chosen date must be more than 60 days from the date signed.
 - I understand my child cannot return to TEIS services once exiting on the future date listed on the TEIS Notification of Exit form.

EXIT OPTION 4

- I can exit TEIS services at any time and choose to continue with one of the other options.
- My child will continue in the TEIS Extended Option until the start of the school year following their 5th birthday or August 15, whichever date is first, and will begin Part B services at that time.

WHAT HAPPENS NEXT?
